

Congratulations you've been matched!

Thank you for your kind support of the Detroit Water project. Your contribution will make a huge difference in the life of a Detroit resident.

Here is how to make your contribution directly to the Detroit Water & Sewerage Department:

1. Locate the account number in your match email. Example (700-2000.000)
2. Visit <https://billpay.dwsd.org/iwr/user/login.seam> and select the **Standard Access** tab.
3. Enter the account number and select **Continue**.
4. Select **Make Payment**. Please donate the amount designated in your match email. This amount is based on your original pledged support. **A bill is split amongst several donors—so over-paying confuses others who were also assigned to the account. If you would like to provide more support, please add yourself to the donor list again.**
 1. You will see a warning about a Utility Bill Payments Scam associated with President Obama. This is **not** about the Detroit Water Project. See the scam warnings discussion below.
 2. Select the **Continue** button.
5. Use your email address or kristydetroitwater@gmail.com in the email field.
6. **Please send the confirmation number to kristydetroitwater@gmail.com .** We use this to confirm that the payment was made to provide better status information for residents.

Note on scam warnings:

- **We do not handle any money ourselves.** We simply match donors with residents. Payments are received directly by the Detroit Water & Sewerage Department.
- **We do not have access to your credit card or banking information.** The resident does not have any access to your payment details. This is all transmitted and stored securely on Detroit Water & Sewerage Department servers.

- **We are not affiliated with any scams claiming that President Obama will pay utility bills through a federal program.**

If you have any questions you can email us at kristydetroitwater@gmail.com. Please include your name and the account number of your match.

Thank you,
Tiffani+Kristy
